

SENIOR LINK PROGRAM

Membership Application

If you are 55 & over, St. Mary's Hospital would like to offer you the keys to healthy fun and education through free membership in our Senior Link Program. Senior Link welcomes members from all our surrounding communities and encourages input and feedback in program planning and promotion.

Some of the programs we offer include:

- Medical presentations from the top physicians in the area
- Free health information and screenings
- Special presentations that are of particular interest to the slightly "older" young at heart
- Low-cost dinners in our cafeteria Monday thru Friday
- A 50% discount to all courses offered by Clifton High School's Adult School
- Seasonal program guide
- Special exercise classes
- Fun programs and day trips throughout the year

To join, simply fill out the bottom portion of this flyer and mail to:
